L  VER  
BUILDING  
36  TOUR

# Events Information & Packages.

# Hosting an event?

Looking for a space that will give your guests the **WOW** factor?

Royal Liver Building 360 Tour is a City Landmark with unique spaces that can make your event truly special.

From enquiry to delivery, our management and staff will be on hand to make sure your event goes off perfectly giving your guests the best experience possible with the warm and personable service throughout.

**Find out more about our spaces below**

# Visitors Centre

## Capacity - up to 80 standing

The visitors centre is the perfect social space for those after work drinks, an breakfast networking or a product launch. The open plan space allows visitors to move around freely surrounded by interesting information about the Royal Liver Building.

A presentation space complete with full AV set up incl. Screen, Microphone and Sound system throughout is here also. Additional elements such as Poseur Tables and Cloakroom can be added in.

The space is fully enclosed with its own entrance and amenities.

**All food and drink elements are available in this area  
Room Hire is dependent on date/time of event**

# Clocktower

## Capacity - up to 25 standing

This unique space adds a touch of magic to an event as visitors enjoy their drinks surrounded by the original mechanisms of the Royal Liver Building, while being immersed in our Audio Visual experience bringing the history of Liverpool to life.

This space is best suited to social drinks as part of a tour experience.

**Due to the location of this area only cold canapes would be available  
Room hire is dependent on date/time of event**

# Looking to add something special to your event? Why not include the award winning **Royal Liver Building 360 Tour.**

During your fully guided tour hear the history of the building brought to life, with stories and facts about how the offices of an insurance company became the landmark building of a city. You'll go to the tenth floor and find out about the Great George Liver Clocks as well taking in stunning views across the River Mersey.

Immerse yourself in an Audio visual experience telling the story of Liverpool's recent history set to the atmospheric ticking of the original mechanisms on the 14th floor. Finally at the top of the Royal Liver Building on the 15th Floor viewing platform you can take in spectacular views of the Liverpool city region and beyond while getting up close with The Liver Birds.

**Save 20% on the tour cost when booked with Silver & Gold drinks packages**

# Food & Drink

We can offer a range of food for your event from Breakfast sandwiches to canapes and mini bites. While if you're looking for a drinks package our exclusive bespoke Gins help add that special touch to your event.
